Our Vision, Mission & Purpose

Vision
A United, Distinctive and Sustainable Pacific Society

Mission
Enabling Green–Blue Pacific Economies through inclusive Strategies, Multi-stakeholder Governance, and Genuine Partnerships.

Purpose
PIDF drives, through regional and national frameworks, transformative changes by focusing on the sustainable and inclusive development of the Pacific islands by:

- advocating the very real and pressing significance of climate change for the lives and livelihoods of Pacific Islands and Pacific Islanders;
- implementing policies for sustainable development and especially poverty eradication that respond to the challenges posed by climate change and globalisation;
- accelerating the integration of the three pillars of sustainable development namely environment, social, and economic, to harmonise the pursuit of economic growth with the needs of societies and the sustainability of the environment; and
- facilitating the use of tools, approaches and innovations, such as Green-Blue Pacific economies, leadership and genuine partnerships to stimulate robust debate while fostering an inclusive change agenda.

Functions
The PIDF shall:

- Serve as a dynamic regional partnership platform that recognizes, celebrates, promotes and preserves the diversity of Pacific cultures, their history and the challenges they face from climate change, globalisation and development;
- Provide an inclusive regional multi-stakeholder forum to enable collaboration between leaders and representatives of Pacific governments, civil society and private sector to take ownership of their decisions and actions to address their special development needs;
- Provide an inclusive regional multi-stakeholder forum for leaders of the public sector, civil society and private sector;
- Serve as the Pacific regional counterpart for the south-south groupings and other regional and international arrangements that focus on sustainable development and especially poverty eradication in Pacific Islands to ensure policy coherence at all levels;
- Advocate for a robust, effective, inclusive and transparent follow up and review process to connect activity at national, regional and international levels;
- Secure the support of development partners through formal agreements for technical assistance and financial resources to achieve sustainable development and poverty eradication outcomes;
- Promote innovation through the adoption of robust policy designs, good governance practices, and scalable and adaptable technology choices to deliver transformational changes.
- Support the development of national infrastructure of development to connect with regional and international institutions.
- Develop an information hub for the dissemination of information on Green-Blue growth, sustainable development and especially poverty eradication.

Our Beginning...

The PIDF Secretariat was established by the leaders & representatives of 14 Pacific Countries during the Engaging with the Pacific Meeting from 23rd-24th April, 2012. The Inaugural PIDF Summit was held in Nadi, Fiji from 5th to 7th August, 2014. The Secretariat was gifted to the PIDF by the Government of Fiji on 26th April, 2014. The second PIDF Summit was also held in Nadi, Fiji from the 18th to 20th June, 2014 where Fiji and the PIDF signed a Host Country Agreement. The PIDF Charter was signed at the Third PIDF Summit (2nd-4th September, 2015) by Fiji, Kiribati, Federated State of Micronesia, Marshall Islands, Nauru, Solomon Islands, Tonga, Vanuatu and The Pacific Islands Association of Non-Government Organisations. The first substantive Secretary General, Mr. François Martel was also approved by the Third PIDF Summit.
