WORK PROGRAM

OUTCOMES

Regional and national frameworks implementing effective transformation of unsustainable development practices through the use of innovative tools such as green-blue economy, adaptive leadership, and genuine partnerships for Pacific communities

OUTPUTS

• LEADERSHIP. Inclusive and stewardship leadership at all levels for transformative change in support of green-blue Pacific economies
• INNOVATION. The public sector, private sector and civil society in PIDF countries have access to innovative practices and approaches that support green-blue economies
• PARTNERSHIP. Genuine, equitable and durable partnerships in place that support green-blue economies

IMPACT

Enabling green-blue Pacific economies through inclusive strategies, multi-stakeholder governance, and genuine partnerships
FUNDING PRINCIPLES:

- Generosity. Members and development partners may voluntarily contribute;
- Inclusivity. All members participate in the budget process;
- Accountability. Conforming to international standards;
- Sustainability. True costs accounted for in programming.

VOLUNTARY CONTRIBUTIONS

REGIONAL DEVELOPMENT TRUST FUND

CURRENT FINANCIAL SPONSORS 2016:

- Fiji, Solomon Islands, Tokelau, Vanuatu

[Articles 16 & 17 of the PIDF Charter]
STATUS OF EXTERNAL PARTIES

- Development Partner
- Special Observer
- Guest Or Other Status
- Subscribe to Article 6

[Article 8 of the PIDF Charter]
CONCLUSIONS

- Historical endeavor establishing Pacific’s only participatory platform on sustainable development
- Empowering the Pacific to take ownership of their development outcomes
